Easy digestible

The premium quality and preparation of the selected ingredients guarantee high digestibility. It offers the perfect nutrition for cats with a sensitive digestive track.

Anti-Hairball

Dietary fibres support the transport of swallowed hairs through the digestive track. This way they can prevent the development of hair balls.

Skin & Coat

A shiny, silky coat and healthy skin are indicators for a well nourished cat. This is due to the presence of fatty acids, vitamins and easily absorbable organically bound zinc and copper.
